Visitor parking

Welcome to Wichita State!

During the fall and spring semesters, Wichita State’s main campus is a permit-only parking environment from 7 a.m. - 5 p.m. on weekdays when school is in session.

Visitors wishing to park on campus may purchase a day ePermit for $5, or a frequent visitor ePermit for $75 per semester. Visitors with an ePermit may park in any green, yellow or yellow-and-green-striped lots across campus.

Go to wichita.edu/visitorparking or scan the QR Code below to learn how to purchase visitor parking permits.

You may park in any yellow, green, or yellow/green lot. Do not park in a red lot or reserved space. You will be ticketed. Lots 13-15 are directly behind the library. Ablah library is highlighted in dark blue.
